

MPM GelPad® Hydrogel Saturated Gauze Dressings

- 4 sizes for packing all size wounds.
- Designed for wound packing.
- Creates a moist wound environment.
- Hydrogel containing Aloe Vera and glycerin. Provides moisture-enhancing, natural wound healing.
- **Facilitates Debridement** - Humectants and moisturizers assist in autolysis of necrotic tissue. Non-injurious to healthy tissue.
- Uses Nu-Gauze to reduce fibers and absorb large amounts of gel to be deposited to the wound.
